

A still life arrangement of various fruits and berries on a rustic wooden surface. The composition includes clusters of green grapes, red raspberries, green pears, a peach, red cherries, green apples, and small red berries. The text "A Nordic Perspective on Forest Gardening" is overlaid in white, centered on the image.

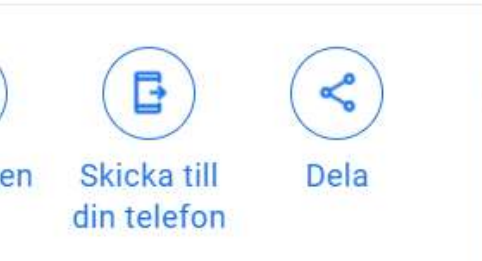

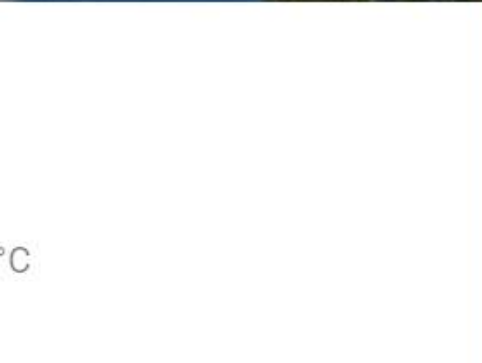

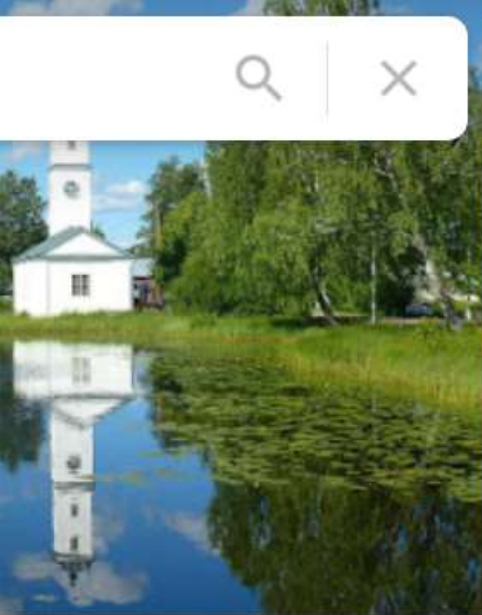

A Nordic Perspective on Forest Gardening

Juglans Regia 'Loiko #63'

A close-up photograph of a shallow, oval-shaped woven basket filled with fresh green hazelnuts. The nuts are still in their husks, which are a vibrant green color. The basket is placed on a rustic wooden surface, likely a table, with the wood grain visible. The lighting is natural, highlighting the texture of the hazelnut husks and the weave of the basket.
